

Woodfin Sanitary Water and Sewer District
Position Classification System: Executive Director

General Description:

Performs management and administrative work directing the operations of the District and implementing policy in accordance with the objectives of the Board of Trustees.

Features of this Position:

An employee in this position performs management and administrative work associated with the efficient and effective operation of the District. Work involves the ultimate responsibility for the day-to-day operation and direction of the District in accordance with the policies and directives of the Board of Trustees. The Executive Director is responsible for providing knowledgeable guidance and leadership to the Board of Trustees in order to assist the Board in fulfilling its duties as elected officeholders. An employee in this classification is responsible for supervising the staff of the District directly or indirectly through subordinate supervisors. The Executive Director is responsible for the preparation and presentation of annual budgeting, capital improvements, and performance goals and guidelines. An individual in this position must be able to exercise a high level of confidentiality and interface well with the public. The Executive Director must exercise significant independent judgment, initiative, and discretion in the day-to-day course of District operations.

Essential Job Functions:

- Directs the daily operations of the District to provide for efficient and effective fulfillment of the policies and objectives as set by the Board of Trustees.
- Manages the preparations for all monthly meetings of the Board of Trustees, including agendas, notifications and other requirements, and additional meetings and public hearings as necessary.
- Appoints, terminates, disciplines and promotes employees of the District in accordance with compensation levels and policies established by the Board of Trustees.
- Supervises the preparation of the District's annual budget and capital improvements plan and monitors the administration of the Budget for compliance with Board of Trustee objectives and local, state and federal rules and regulations.
- Represents the District in accordance with objectives set forth by the Board of Trustees in interactions with outside agencies, committees, and interests.
- Provides information necessary for the Board of Trustees to fulfill its elected obligations, including financial conditions of the District, capital needs, federal, state, and local regulation requirements, and updates on projects and activities of the District.
- Maintains acceptable public relations with customers, citizens, and other government and private agencies.

Additional Job Functions:

- Performs other duties as may be assigned by the Board of Trustees.
