

Woodfin Sanitary Water & Sewer District
Executive Director Questionnaire

1. What is your philosophy regarding conservation and the environment in general?
2. Would you consider yourself a proponent or an opponent of commercial, retail, and residential development?
3. How would you describe your financial philosophy?
4. Do you prefer to work collaboratively or individually?
5. How do you feel about working with an elected body who may occasionally request external inputs about the health or direction of the organization?
